Dick O'Connor
Judy Bernat
Kristi Bernat

Dave Lambeth
Matt Burton-Kelly
Aaron Kennedy
Dave Sears
Matt Yavarow, engineering
Dan Splichal
Kim Greendahl, City of GF

I. Old Business

- a. **Green Lanes:** A group of city employees and representatives from the GTUAG will be meeting on March 18. The meeting will focus on the possibility of incorporating Green Lanes into the current bikeway system. The goal of the Green Lanes request is to provide better visual definition of bike lanes, reinforce cycling as a method of transportation, and provide a welcoming environment for cyclists. The group would like to explore all ideas for incorporating Green Lanes into the current facilities. The group would also like to consider green arrows symbols on the road to remind cyclists which direction they should travel in lanes.
- b. **Special project requests**
 - i. **Boathouse proposal:** Nothing has been submitted to staff for consideration yet. The planning group will bring forward a package with a draft lease, site needs, and any monetary needs for consideration by GF City Council.
 - ii. **Bocce ball courts:** This item was tabled until the April Greenway Technical Committee staff meeting. An electronic survey will also be available online to allow for comments from the public.
 - iii. **Disc golf at Riverside Park:** The local disc golf association has submitted a revised map of the proposed area for this project. This map will be posted on greenway website for public review. An electronic survey will be available online to allow for comments from the public. All comments will be shared with the Service & Safety Committee.

II. New Business

- a. **On-Street usage for the Bike and Pedestrian Plan:** Teri shared the MPO Bike and Pedestrian Street Study. The MPO will be updating the current Long-Range Transportation Plan and will be looking for input from the group.

III. Next meeting date: 7:00 pm, Tuesday, April 9, 2013 at the Grand Forks Park District, 1210 7th Avenue South
