

2023 GREENWAY

ANNUAL REPORT

INTRO HERE

Ever-evolving, always refining

2023 was another year of change and improvements in the Greenway. New facilities were added, some old favorites got a facelift, and planning began on some new projects. Here are just a few highlights from 2023.

New Ways to Play

The newest game in town is a hit for all ages. Riverside Park is now home to a combined disc and footgolf course. This 18-hole course accommodates both sports in one place for some great fun.

And we didn't stop there. The GF Park District added a permanent foosball table, bean bags, checkers, ping pong, gaga ball, and other games to Lincoln Drive Park. These games are located near the horseshoe pits and will surely be a hit for years to come.

LaFave Park getting a facelift

Exciting changes are coming to LaFave Park next year! The boat ramps, parking lot, and other features will undergo much-needed renovations. While we anticipate some disturbance to river access during the work phases, the final product will be well worth the wait.

2023 Greenway Report

By the numbers

100,000+ - Number of visitors to the Red River State Recreation Campground. That's the 3rd highest number of reservations since opening in 2004.

11,341 - Total campsite reservations.

3 - Number of baby Cooper's Hawks hatched at the campground.

2 - Number of Cooper's Hawks banded at the campground

6,534 Number of paid attendance at Riverside Pool.

20,739 Number of paid attendance at Sherlock Pool.

20+ Public events held throughout the Greenway.

1 New Director. Welcome Jeremy King, EGF Parks and Recreation director. And thank you to Reid Huttunen for your service to the Greenway and community.
