

Greenway Technical Committee
Meeting Notes
Tuesday, July 15, 2008
Grand Forks Park District Office
1210-7th Ave. S. Grand Forks, ND - 10:30 am to Noon

DISCUSSION ITEMS

- I. Trail user group update:** Six people attended the meeting on June 28 at Riverside community room. They have expressed an interest in continuing to meet to discuss the greenway. Kim will schedule a meeting and publicize this for greater attendance.

- II. Disc golf addition at Lincoln Drive Park:** The city and park district have entered into an agreement to install another 18 hole disc golf course in Lincoln Drive Park. The course will be located between Lincoln Drive road and the lower bike path.

- III. Improvements to the road at Lincoln Drive Park:** This item was discussed at the July 14 City Council agenda. Some council people were concerned about the cost and wanted to drop some items. Most of the council understood that the road repairs were being done by the city because the road was damaged during the flood clean up and flood protection construction projects. The areas of concern were whether the turn around, diagonal parking and lights were necessary to the project.

IV. Greenway Agency Updates

- 1. City of EGF:** The MN DNR has approved funding for the addition of 30 more campsites with electric hook ups. This will increase the number of full service site to -----. Camp rentals are up 600 units compared to this date in 2007, with most of the rentals coming from Manitoba. The MN DNR is also planning to drop the Red River State Recreation Area from their program as of December 2008 because the land base isn't big enough to justify their involvement. It is unclear what will happen to the ownership of the campground. The atv problem has decreased but is they are still active along the Red Lake River area.
- 2. City of GF:**
- 3. GF Park District:**

V. New business

- 1. August meeting:** Gladwin is assembling a panel to discuss the weed and tree issues along the Greenway. All members of the Greenway Technical Committee are invited to attend.

Next Greenway Technical Committee Staff meeting: August 12, 2008 – 10:30 am at Grand Forks Park District, 1210 7th Avenue South

**Next Greenway Technical Committee meeting: September 9, 2008 – 10:30 am at
Grand Forks Park District, 1210 7th Avenue South**
